

Day Trip to Dale Hollow Lake

Rain or shine - Dale Hollow Lake (DHL) makes for a wonderful side trip while in the Big South Fork region. DHL offers over 620 miles of scenic shoreline with over 27,000 acres of water to enjoy! **Sunset Marina & Resort** is a full service marina conveniently located just off of Hwy. 111 near Byrdstown, TN (beneath the bridge). They offer quick and convenient access to the water with lodging, water craft rentals and a (seasonal) floating restaurant with a superb view of the DHL sunsets. Chef Zoom is well known for his taste bud tantalizing creations, such as, Pan Fried Grouper with Meuniere & Pecan Butter Sauce plus many other items. To learn more about all they have to offer, visit their website: www.sunsetmarina.com or give them a call at 800-760-8550 or 931-864-3146.

If you love antiques and collectibles, make sure you visit **J & B Stuff**. They are just a few miles north of Sunset Marina & Resort on Hwy. 111. Owner, Bonnie Besecker has a superb assortment. Some of you may remember J & B Stuff and owners, Bonnie and Jack, from their previous location in the Big South Fork area in Clarkrange, TN. The Beseckers decided they wanted to enjoy their new lake home more, so they moved the store north to the Byrdstown area. They are still nearby. The beautiful and well arranged new store has all sorts of glassware (bowls, cookie jars, pitchers, cups, saucers, etc.), beautiful furniture (and refinished pieces), jewelry, knives, lamps, pottery, books, baskets, music stands, vintage tools, wind chimes, linens, crockery, toys, things for your garden, primitive décor, home décor signs and so much more. Call before you make the drive. Hours of operation vary. You can reach them at 931-864-5225 or 931-704-0178.

The **Farmhouse Restaurant** (open year round) is another delightful place to dine just a little farther north of J & B Stuff on Hwy. 111. The Farmhouse is known for their all you can eat hotbar and Friday night Catfish Special. Owners, Steve, Retta and Graceann Reagan strive to offer diners great food at affordable prices. During the growing season, they offer plenty of fresh local produce – often from their own farm. If you are looking for some superb molasses, try theirs. They're the best! As long as the crop lasts, you can purchase a quart or more to take home for more delectable dining. The Reagans are also working to offer special Saturday events once a month from April through October. They would also like the opportunity to discuss catering your event or private party and have a banquet room if you would like to plan your event for the restaurant. Give them a call at 931-864-4070 for the latest specials and events.
